Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Delivery informations           Availability         available           Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Availability         available           Product description         Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Product description           Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Type         MAB 7 SH-L SN schwarz/black           Order No.         930 518-500           Type of contact         female
Order No.         930 518-500           Type of contact         female
Type of contact female
••
Description panel-mounted socket for PCBs; not shielded; plug-in direction parallel to the PCB, recommended board thickness 1.5 mm; additionally fixing with screws (I
40081)
Colour     black       Number of contacts     7
Conductor size <= 0.34 mm <sup>2</sup>
Technical data
LF output "Phone" EN 60 130-09
Pole arrangement DIN DIN 45 329; dimensions DIN 45 328
Rated current 4A
Rated voltage AC/DC 34 V
Type of termination solder  Material
Contact material (socket) brass
Contact surface material tin plated tin plated
Contact bearer material PBT/UL standard 94 V-0
Housing material PBT/UL standard 94 V-0
Environmental conditions
Protection class (IEC 60529) IP 30
