Well known for their quality and reliability,
Bulgin's toggle switches are cost effective solutions to many existing applications. These switches offer features at an attractive price point often well below that of the existing compettion.

- Nylon and Metal switch variants
- Multiple Lever Options
- Ratings up to $20 \mathrm{~A}, 250 \mathrm{~V}$ ac -277 V ac
- IP67 panel seal versions, supplied complete with gaskets ( 3900 Series - All Variants)
- Single and double pole
- Choice of circuit options including 3 position and momentary
© Mounting hole: 12.7 mm diameter.
๑ Sealing accessories available
- Quick Connect, Solder, Screw and PCB Termination Options

## Key Features

- Metal toggle switches
$\bigcirc$ Panel seal version to IP67
- Ratings up to 20A,
- 6.3 mm terminals
277 V ac
- Guard option
- Single and double pole
- Choice of circuits including 3 position and momentary
- Sealed version supplied complete with gaskets
